Dear Parents, Carers, and members of our school community,

A very warm welcome to you all as we settle into the new school year at Fiskerton Primary school. Whether you are new to our school or returning after the summer break, I hope the first few weeks have gone smoothly and that you and your children are beginning to feel settled into new routines.

As current Chair of Governors, it's a privilege to continue working alongside our dedicated staff, families, and fellow governors to support the life and learning of our school. Fiskerton Primary is a school where we grow and thrive together, guided by our shared values and the love of God. Linking to this terms value of **thankfulness**, we are truly thankful for our highly committed and skilled school team who consistently live out our school values to create a nurturing and inclusive environment where every child feels cared for, respected, and inspired to reach their full potential. We expect our families and wider school community to embrace these values too, working in partnership with us to maintain this culture of kindness, respect, and shared responsibility.

The Full Governing Board will reconvene on 01st October to continue our work in supporting the school's leadership team and ensuring the best possible outcomes for all pupils. After this meeting, I will write again to share details of the Full Governing Board with you, so you know who we are, how we serve the school and how you can contact us if needed.

I would also like to remind you that there is currently a vacancy for a Parent Governor. Information about this opportunity will be shared by Mrs Bradbury in the very near future. If you would like to know more or have any questions, look out for this information and please ask at the school office.

Thank you for being part of our vibrant and caring school community. I look forward to the year ahead and to working together to support the continued success of our school.

Kind regards,

Sally Reeve

Chair of Governors
