Flourishing together within the love of God

Dear Parents and Carers,

It has been another busy and exciting week here in school, filled with learning, enthusiasm, and special events.

Democracy Day

This week, we celebrated Democracy Day through our School Council and CAW Council elections. We were incredibly impressed with the number of children who wanted to stand for these important positions and with the time and effort they clearly put into writing their manifestos.

The Squirrels and Badgers all did an amazing job presenting their manifestos during collective worship, and the younger children did a fantastic job sharing theirs within their classes. Everyone who took part should feel really proud of themselves — it takes courage to stand up and share your ideas. Congratulations to all our successful candidates, and well done to everyone who took part!

Reception Welcome Service at St Clements Church

On Tuesday, we are really looking forward to our Welcome Service at St Clements Church for our Reception pupils. All the children in Reception will be going to church with their Year 6 buddy for the service, and all Reception parents are warmly invited to attend.

The service will begin at **9.30am**, and we would love to see as many of you there as possible to join us in welcoming our newest members of the school community.

Badgers Class Residential Trip Meeting

On **Thursday 25th September**, we are inviting parents of the children in Badgers class into school at **3.30pm**. This meeting will give you more information about our proposed end-of-year residential trip to London.

We are currently exploring two different packages and would really value parent feedback on which option people would prefer. Please come along if you can — your input will be really helpful as we plan this exciting opportunity for the children.

Stay and Play Session

Earlier this week, a flier went out for a **Stay and Play session** here at school on **Thursday 2nd October**, in collaboration with Little Lincoln City. This session is for children up to 4 years of age. Please come and join us and please pass on this information to anyone you know who you think would be interested.

Pre-school Places

We currently have places available in our pre-school, so if you know anyone who is looking for a pre-school place, please do pass on our details.

Have a lovely weekend,
Mrs Bradbury
