Flourishing together within the love of God

Dear Parents and Carers,

We've had a fantastic week at school filled with kindness, colour, and community spirit!

Throughout the week, the children have been taking part in the NSPCC Kindness Challenge, focusing on being kind in as many different ways as possible — through words, actions, and helping others. It has been wonderful to see so many acts of kindness around school and to hear the children reflect on how small gestures can make a big difference.

Today, we also celebrated Hello Yellow Day in support of Young Minds, a charity that helps children and young people with their mental health and wellbeing. Everyone looked absolutely brilliant dressed in yellow — the school was glowing!

Thank you all for your kind and generous donations. We've raised £45 for Young Minds, which will go towards supporting young people and their families through mental health challenges. The parentmail link is still live until the end of today, so if you would like to donate but haven't had time yet, there is still time.

If you'd like to learn more about the charity or access support, visit www.youngminds.org.uk or contact them at 020 7089 5050.

Bikeability – Badgers Class Reminder

A reminder to Badgers Class that if you are taking part in Bikeability next week, you will need to bring your bike and cycling helmet to school. This fantastic course helps children learn how to cycle safely and confidently on the road. Good luck, Badgers!

School Photographs – Wednesday 15th October

Our annual individual and family school photographs will be taken on Wednesday 15th October.

If you would like a family photograph that includes younger siblings not in school or pre-school, please come to the front office at 8.30am, as these will be taken first.

Harvest Festival – Friday at 9.30am

On Friday, we will be celebrating Harvest Festival at the church, starting at 9.30am. The service will be led by Badgers Class alongside Reverend Jess, and we'd love for families to join us.

This year, we are collecting donations for the Lincoln Food Bank, who do an incredible job providing food to those in need. Please bring any food donations to school on Friday morning. The children will be taking the donations to the church where representatives from the Food Bank will be joining us for the service. They will then collect all our donations from Church.

Our Social Media is Moving!

We are excited to share that we will soon be moving our social media updates off Twitter (X) completely and onto Facebook and Instagram.

Each class will have their own Facebook and Instagram page, where teachers will post photos, updates, and highlights of the wonderful learning taking place each week. We will also have a whole-school account where we'll share key information, celebrations, and events. Permissions will be sent home early next week.

Parents' Evening – Tuesday & Wednesday Next Week

A reminder that Parents' Evening will take place next Tuesday and Wednesday. If you haven't yet booked a slot, it's not too late! We're really looking forward to sharing all the wonderful work the children have been doing so far this term.

Morning Reminder

We know how busy mornings can be, but a polite reminder that school starts at 8.55am.

Children need to be in school ready to start their day at this time, and the school gates will close promptly 8.55am.

Thank you all for your continued support — it's been a fabulous week filled with kindness, positivity, and community spirit.

We hope you have a lovely weekend and we are looking forward to another exciting week ahead!

Mrs Bradbury

Squirrels	Ezra
Badgers	Delana

Attendance

Unfortunately, there have still been a lot of bugs about this week and our whole school attendance was 95.68% . Can we get our attendance back to at least 96% next week?
