Headteacher Mrs C Bradbury

Dear Parents and Carers,

We are delighted to announce that the children in Hedgehogs, Squirrels and Badgers have been offered the opportunity to go to the Odeon Cinema as part of their Into Film Week to watch the Oscar nominated film, *The Wild Robot* (U rated) based on the best selling book by Peter Brown. *The Wild Robot* is about a robot named Roz who becomes shipwrecked on a remote, uninhabited island and must learn to survive by adapting to the wilderness and befriending the local animals. It is a heart-warming and action-packed adventure that explores themes of technology versus nature, empathy, resilience, and what it means to be a family.

The film complements our learning this term in English and PSHE and also our value of the term which is friendship. The children will complete follow up work inspired by the film in these areas.

The children will leave school at 11am and return to school by 3pm.

All children will need a pack up on that day as we will be eating lunch at the cinema. If you have ordered with Kidz Kitchen, this will be a pack up on this day. Please ensure children also have an appropriate coat for the weather to walk from the bus to the cinema.

We are asking for voluntary contributions to cover the cost of the transport of £6 per child.

Parental consent and payment can be made via parentmail +pay. No child will be excluded from the visit because of the inability to pay; however, this visit may not go ahead if sufficient contributions are not received. Your child will not require any spending money.

Kind regards,

Mrs Bradbury
