Children In Need

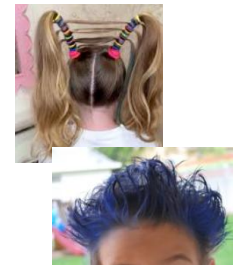

Friday 14th November 2025

Dear Parents and Carers,

We are delighted to let you know that Fiskerton Primary School will once again be supporting BBC Children in Need Day, which takes place on Friday 14th November 2025.

Children in Need is a national charity that raises money to help improve the lives of children and young people across the UK. The charity funds projects that support children facing a variety of challenges, including poverty, disability, illness, and mental health issues. Every pound raised makes a real difference, helping to ensure that all children have the opportunity to thrive and achieve their potential.

This year, our School Council have come together to plan how we can join in the fun and make a positive difference. They have decided that the children will come to school with crazy hair, while still wearing their normal school uniform. We can't wait to see all the creative styles on the day!

The theme for Children in Need 2025 is "Challenge 25", and throughout the day, pupils will be taking part in a range of activities linked to this theme.

In addition, each class will be baking 25 cakes, and our School Council will be selling these at the end of the school day. All profits from the cake sale will also go to Children in Need. If anyone would like to kindly donate any cakes, we appreciate any support. Cakes will be sold at 50p each so please bring some small change.

FUNDRAISING INFORMATION -

To support the event and in return for coming to school with crazy hair we are asking you to donate an amount of your choice via +pay on parentmail (maximum donation is £5) - we are grateful for any donation from big to small. We will then donate this to the children in need charity.

We are really proud of how enthusiastic our School Council have been in organising this year's events, and we are looking forward to a fun-filled day of challenges, laughter, and fundraising.

Thank you, as always, for your continued support in helping our school make a difference to others.

With best wishes,

Jessica Hulse & School Council Members
