

Fiskerton CE Primary School News

Flourishing together within the love of God

Dear Parents and Carers,

We've had yet another action-packed week in school and are delighted to share some of the wonderful things that have been happening.

Junior Road Safety Officers (JRSOs) Collective Worship

A huge congratulations to our JRSO pupils, who led their very first whole-school collective worship on Thursday. Their focus was on helping everyone stay safe on their journeys to school this winter. They did a brilliant job and spoke so confidently. They have also launched a fantastic new competition all about staying safe when travelling to school—details have been sent out via ParentMail.

Festival of Angels

Across the school, all classes have been busy creating beautiful angels for Reverend Jess to display in the church as part of the *Festival of Angels*. Do look out for these lovely creations over the festive period, and don't forget you can join in at home too!

Reading Together Morning

Looking ahead, next week is an exciting one. On Wednesday, we will be hosting our *Reading Together* morning, organised by Mrs. Lockley and our wonderful reading ambassadors. Details have already been shared, and we look forward to welcoming many of you to this special event—a lovely opportunity to start the day by sharing a book together, celebrate reading for pleasure, and learn ways to support reading at home.

PTA Events

We are also thrilled for the PTA's first event of the year – **the Winter Disco!**

- *Rabbits and Hedgehogs*: 5:00–6:00pm
- *Squirrels and Badgers*: 6:15–7:15pm

Payment is on the door, and children should be dropped off and collected from the main entrance.

Their next event will be the **Christmas Fair on Friday 5th December**, following our annual *Carols Around the Christmas Tree*. We warmly invite you to join us for this wonderful festive celebration.

Lumi Nova: Tales of Courage

Please also find attached a flyer about Lumi Nova: Tales of Courage—a free, NHS-backed digital therapeutic app designed to support children aged 7–12 in managing fears and worries. Lumi Nova uses Cognitive Behavioural Therapy (CBT) blended with an age-appropriate mobile game to help children build confidence, resilience, and coping strategies.

Families can access it instantly and for free at: luminova.app/lincolnshire

Festive Church Events

You will also find attached information from Reverend Jess, highlighting some of the fantastic events the church is organising for families over the festive season.

Wishing you all a restful weekend, and we look forward to another busy week ahead!
