Flourishing together within the love of God

Dear Families,

We have had a truly fantastic week in school, which culminated in our Young Voices Choir taking part in the Young Voices Concert yesterday alongside an incredible 5,000 other primary-aged children. Our pupils were an absolute credit to the school – their enthusiasm for singing and dancing was wonderful to see, and they represented our school brilliantly through their excellent behaviour.

They were amazing during the rehearsal and were absolute superstars in the final performance. We hope all of the parents and carers who joined us for the concert enjoyed the experience as much as we all did – it was a very special event and one we will remember for a long time.

A huge thank you goes to Mrs Riley for preparing the children so thoroughly during Young Voices Club and for leading the trip, and to Mrs Clark for accompanying us to Sheffield Arena yesterday. We would also like to give a special shout-out to Mrs Bellas for the delicious cakes she provided for all of the children and staff taking part – they went down an absolute treat!

Caring for Our Local Community

Our Rabbits class have also been doing their bit for the local community this week. They bravely faced the weather during their Forest School session today to take part in a litter-pick around the park and village hall. Well done to Rabbits class for showing such responsibility and for looking after the shared spaces in our village so wonderfully.

NSPCC Number Day – Friday 5th February

A reminder that next Friday we will be taking part in NSPCC Number Day. This will be a fun-filled day packed with number-themed activities, including some *epic* Times Tables Rock Stars battles!

We are encouraging children to embrace the number theme by wearing number-themed clothes or costumes on the day. Further details can be found in the information attached with this newsletter.

Attendance

We would like to thank families for their continued support with attendance and to remind everyone of its importance. Regular school attendance plays a crucial role in children's learning, progress and wellbeing. While we recognise that seasonal illnesses are common at this time of year, children should attend school wherever possible. Minor illnesses such as coughs, colds and stomach-aches do not usually require absence from school. We also ask that routine medical and dental appointments are arranged outside of the school day where possible, to minimise disruption to learning. Please be assured that staff monitor children closely throughout the day and will contact parents promptly should a child become unwell. Thank you, as always, for your ongoing support in ensuring the best outcomes for our children.

Have a lovely weekend

Mrs Bradbury
