

Fiskerton CE Primary School News

Flourishing together within the love of God

Dear Families,

What an exciting week we have had in school!

Rock Steady

Everyone rocked out on Tuesday morning during Rock Steady's collective worship and workshops. The children had a fantastic time exploring different instruments and joining in with the songs. We can't wait to hear our new bands in action when they officially begin rehearsing from Wednesday 18th March. There are still a few spaces available, so if your child would like to take part it's not too late to sign up! Just scan the QR code on the letter or go to www.rocksteadymusicschool.com for more information.

World Book Day

Thursday was another wonderful day as we celebrated World Book Day. The children looked absolutely fantastic in their costumes and we were delighted to welcome a range of visitors into school — from Harry Potter and The BFG, to Oi Frog and Tarzan from The Jungle Book to name but a few!

A big thank you to everyone who joined us for our reading morning. It was lovely to see so many families enjoying books together across the school. We also saw children reading with their friends and sharing their favourite stories. Throughout the day, classes took part in a variety of book-themed activities, but a firm favourite was definitely The Masked Reader! Everyone had great fun trying to guess which teacher was behind the masks of Giraffe, Goat, 6/7 Dog and others.

Science Fair

This really is an action-packed term and there is even more to look forward to next week. On **Friday 13th March** we will be hosting our School Science Fair. We would love children to create their own science projects at home to display at the fair. There will be prizes for the most creative and most interactive projects. Children can bring their projects in from Wednesday 11th March so they are ready in school. The Science Fair will also be a chance for classes to showcase the science they have been learning throughout the week. Families are warmly invited to join us from 2:45pm – 3:15pm so the children can proudly show you what they have been working on.

PTA Upcoming Events

Friday 13th will also be a **non-uniform day** in exchange for an **Easter egg donation** for the PTA's upcoming **Easter Family Disco**.

Our wonderful **PTA** also have two exciting events coming up this term:

- **Friday 20th March** – An **Easter Egg Hunt** at the end of our **Comic Relief celebrations**, organised by our fantastic School Council (more details about Comic Relief will follow next week).
- **Wednesday 25th March** – **Easter Bingo**, which we hope many of you will be able to join us for.

If you are able to offer any help at these events, please do get in touch with the school or the PTA. Your support is always greatly appreciated.

Co-opted Governors

The Governing Body is currently seeking **co-opted governors** to join our team. Co-opted governors are members of the governing board who are appointed based on the skills, experience or perspectives they can bring to the school. Anyone over the age of 18 can apply, and you do not need to be a parent of a child at the school. We particularly welcome applications from members of the local community, professionals, or anyone with an interest in supporting education. The role involves attending governing body meetings, working with other governors and school leaders to support and challenge the school, helping to review policies and strategic priorities, and ensuring the school continues to provide the best possible education for its pupils. It is a rewarding opportunity to contribute to the life and success of the school community. If you know of anyone who might be interested in supporting the school in this way, please pass on this information and encourage them to contact the school via enquiries@fiskerton.lincs.sch.uk, and we will be happy to provide any more information about the role and pass their interest on to the governing body.

Thank you for your continued support and we look forward to another exciting week ahead!
Mrs Bradbury
