*Flourishing together within the love of God*

Dear Families,

We have had a truly fantastic week in school exploring a wide range of scientific investigations as part of **Science Week**, which culminated in our brilliant **Science Fair today**.

A huge well done to all of the children who clearly worked incredibly hard on their amazing science projects at home. The standard of work and the variety of questions you explored were truly impressive. It was wonderful to see so many of you confidently explaining your projects to the friends and family members who joined us for the event. You should all feel extremely proud of your hard work and enthusiasm. It is clear that we have many **budding scientists in our school**, with wonderfully curious and enquiring minds!

Thank you as well to all the friends and family who joined us for the Science Fair. We hope you enjoyed learning more about the children's fantastic projects and celebrating their achievements with us.

We would also like to say **thank you to everyone who donated an Easter egg** for the PTA Easter Bingo on **March 25th** – your generosity is greatly appreciated. A reminder as well that **next Friday we will be holding our PTA Easter Egg Hunt after school**, which we are sure will be lots of fun.

## Scholastic Book Fair—Tuesday 17th March-Monday 23rd March

Next week is another action-packed week in school! From **Tuesday 17th March– Monday 23rd March**, we will be hosting our Scholastic Book Fair in school. Children will have the opportunity to browse the books when the fair arrives on Tuesday so that they can create a wish list. The book fair will be open in the **school library from 3:30–4:00pm, Tuesday to Friday**, and also on the **following Monday**. Please do come along and see what is on offer.

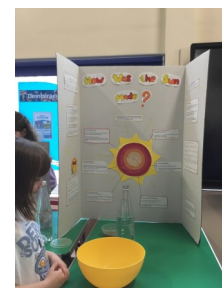

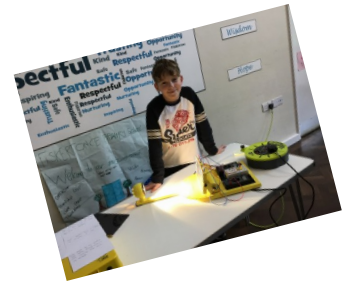

Not only will children have the chance to choose a new book to enjoy, but the school will also receive a **percentage of the sales**, which will help us purchase more books for school. We are currently developing **reading pathways** and improving the selection of books available in our library, so your support will help us continue to enhance our reading resources for all pupils.

If your child still has their **World Book Day voucher** and hasn't yet used it to buy a book, they will also be able to **spend it at the book fair**.

## Comic Relief – Friday 20th March

On **Friday 20th**, we will be celebrating **Comic Relief**. Our **School Council** have organised a series of activities for the day, including a **bake sale after school**, so any cake donations would be greatly appreciated. Children are also invited to come to school **dressed in red or in non-uniform**.

We will round off the day with the **PTA Easter Egg Hunt straight after school**, which promises to be a lovely way to end the week.

### **Co-opted Governors**

The Governing Body is currently seeking **co-opted governors** to join our team. Co-opted governors are members of the governing board who are appointed based on the skills, experience or perspectives they can bring to the school. Anyone over the age of 18 can apply, and you do not need to be a parent of a child at the school. We particularly welcome applications from members of the local community, professionals, or anyone with an interest in supporting education. The role involves attending governing body meetings, working with other governors and school leaders to support and challenge the school, helping to review policies and strategic priorities, and ensuring the school continues to provide the best possible education for its pupils. It is a rewarding opportunity to contribute to the life and success of the school community. If you know of anyone who might be interested in supporting the school in this way, please pass on this information and encourage them to contact the school via [enquiries@fiskerton.lincs.sch.uk](mailto:enquiries@fiskerton.lincs.sch.uk), and we will be happy to provide any more information about the role and pass their interest on to the governing body.

Thank you for your continued support and we look forward to another exciting week ahead!  
Mrs Bradbury
