

Fiskerton CE Primary School News

Belonging, learning and flourishing together in God's love

Dear Families,

First of all, we would like to give a huge shout out to all of our Year 6 pupils, who have worked incredibly hard this week during their SATs. They have really done themselves proud. Every single one of them tried their very best, which is all anyone could ever ask for, and we could not be prouder of their attitude, resilience and determination throughout the week. Well done Year 6—you have all been absolute superstars!

We would also like to say a huge thank you to our wonderful PTA, who arranged a very special sweet treat for the children after all of their hard work by providing each child with a personalised cake. The children absolutely loved them (as did the staff who were also treated to a delicious cake!). Thank you also to all of the staff who have supported and encouraged the children throughout the week.

Across the rest of the school, the children have also been working extremely hard. Year 5 have been creating some fabulous *Monster Riddles*. Squirrels class have written some amazing persuasive letters and produced some fantastic artwork. Hedgehogs have been creating some brilliant sentences and stories in their English work and Rabbits have been busy working hard and solving some super subtraction word problems.

We have another action-packed week ahead in school next week!

Your next reading adventure

On **Wednesday afternoon**, we are holding our Reading Adventure Afternoon. Please join us at **2:30pm** for the launch of our new reading pathways and enjoy some quality reading time exploring our new books together. Reading is such an important skill and we are passionate about inspiring our children to develop a life-long love of reading, whilst encouraging them to explore different authors and genres.

Miss Warner has also been working tirelessly over the last few weeks to transform our library into a fantastic space where children can truly immerse themselves in reading and discover their next favourite book. All of the books have now been carefully organised and labelled, making it much easier for the children to find books independently and making the library a far more user-friendly and welcoming environment.

'Let them Play' Session

On **Thursday morning**, we have our 'Let Them Play' session for children aged 0–4 years from 10:00–11:00am in the school hall, kindly organised by Mrs Walker-Brown. Please do come along and spread the word to anyone else who may be interested.

Celebration Collective Worship

Friday morning is our end of term Celebration Worship. Please join us if you are able to. Once you have dropped your child off, please come around to the main entrance. Worship will begin at 9:05am.

PTA events and Tombola non-uniform day

Looking ahead, our wonderful PTA are organising a fantastic **Summer Fair on Saturday 20th June**. Please save the date and tell your family and friends! One of the stalls will be the ever-popular tombola stall. To help support this, we will be holding a **non-uniform day on Friday 5th June** in exchange for a tombola prize donation. There will also be a '**Colour Dash Run**' next term to raise money for the school and more details will follow in due course. Our PTA work incredibly hard organising events to support our school community and are doing a wonderful job raising money to provide enrichment opportunities for all of our children. They have very kindly paid for all of our Year 6 children to attend the Church School Festival on 4th June and have also donated £200 to each class to help cover the costs of upcoming visitors and trips, helping to keep costs down for families. Please continue to support PTA events wherever you can so that we can keep providing these wonderful opportunities and experiences for the children in our school.

Thank you, as always, for your continued support.
Mrs Bradbury

Co-opted Governors

The Governing Body is currently seeking **co-opted governors** to join our team. Co-opted governors are members of the governing board who are appointed based on the skills, experience or perspectives they can bring to the school. Anyone over the age of 18 can apply, and you do not need to be a parent of a child at the school. We particularly welcome applications from members of the local community, professionals, or anyone with an interest in supporting education. The role involves attending governing body meetings, working with other governors and school leaders to support and challenge the school, helping to review policies and strategic priorities, and ensuring the school continues to provide the best possible education for its pupils. It is a rewarding opportunity to contribute to the life and success of the school community. If you know of anyone who might be interested in supporting the school in this way, please pass on this information and encourage them to contact the school via enquiries@fiskerton.lincs.sch.uk, and we will be happy to provide any more information about the role and pass their interest on to the governing body.

Attendance

This week our whole school attendance was 95.79%. Let's get back to at least 96% next week.

A big well done to all the children in Year 2, Year 3 and Year 6 who had 100% attendance. Well done—keep up the great work!
