Belonging, learning and flourishing together in God's love

Dear families,

What a short but incredibly busy term it has been! This week, the children have thoroughly enjoyed discovering our new reading pathways and choosing books from them to read. Their enthusiasm has been wonderful to see. Thank you to all the families who joined us on Wednesday for the launch and for sharing one of the books with your children. If you were unable to attend, don't worry — we hope you are enjoying exploring the books together which the children are bringing home.

It was also lovely to see so many of you at our end of term collective worship. It is always wonderful to celebrate the children's achievements both in and out of school. We definitely have a very talented school of children who are flourishing in many different areas, including several budding gymnasts who are competing against children from across the region. Well done to everyone for their fantastic achievements this term both in and out of school.

Looking Ahead

We already have lots planned for next term, beginning in the very first week back. Our Year 6 pupils will be attending the Church School Festival On Thursday 4th June, which has very generously been funded by our school PTA.

PTA Non-uniform Day

The PTA are also busy planning the **Summer Fair**, which will take place on **Saturday 20th June**. In preparation for this, we will be holding a non-uniform day on **Friday 5th June**. Children are invited to come to school in non-uniform in exchange for bringing an item for the ever-popular tombola stall. Please support our PTA if you can.

Samba Drumming Showcase

For parents of children in Squirrels and Badgers classes, we also have an exciting date for your diary. The children in both classes have been working with Mr Chambers from the Lincolnshire Music Service on Samba drumming and are very excited to showcase their new skills. Parents are warmly invited to join us at **3pm on Monday 8th June** for the children's performance.

Attendance Reminder

We would like to thank families for their continued support with attendance and to remind everyone of its importance. Regular attendance plays a crucial role in children's learning, progress and wellbeing throughout the whole year. We would also like to remind families that holidays should not be taken in term time and will not be authorized (unless there are extremely exceptional circumstances). Any holidays of five days or more will incur a fine from the local authority. While some illnesses are unavoidable, minor illnesses such as coughs, colds and stomach aches do not usually require absence from school. Please be assured that staff monitor children closely throughout the day and will contact parents promptly should a child become unwell. We also kindly ask that routine medical and dental appointments are arranged outside the school day wherever possible, to minimise disruption to learning. Please see the attached attendance policy for further information.

Warmer months (hopefully!!)

As the weather is becoming warmer (hopefully!), please ensure children come to school with sun cream already applied and that they have a named bottle of sun cream in school so they can reapply if needed. Please also make sure children have a hat and a named water bottle in school each day.

Thank you, as always, for your continued support in helping us achieve the very best outcomes for all of our children.

We hope you all have a lovely break and look forward to welcoming everyone back next term.

Mrs Bradbury

Co-opted Governors

The Governing Body is currently seeking **co-opted governors** to join our team. Co-opted governors are members of the governing board who are appointed based on the skills, experience or perspectives they can bring to the school. Anyone over the age of 18 can apply, and you do not need to be a parent of a child at the school. We particularly welcome applications from members of the local community, professionals, or anyone with an interest in supporting education. The role involves attending governing body meetings, working with other governors and school leaders to support and challenge the school, helping to review policies and strategic priorities, and ensuring the school continues to provide the best possible education for its pupils. It is a rewarding opportunity to contribute to the life and success of the school community. If you know of anyone who might be interested in supporting the school in this way, please pass on this information and encourage them to contact the school via enquiries@fiskerton.lincs.sch.uk, and we will be happy to provide any more information about the role and pass their interest on to the governing body.
