

Fiskerton CE Primary School News

Belonging, learning and flourishing together in God's love.

Dear Families,

We have had another fantastic week in school! Despite the very warm weather, everyone has continued to work hard and enjoy their learning. We are all looking forward to the cooler temperatures that are forecast for next week!

On Wednesday, everyone had lots of fun during our lunchtime water play. There were plenty of smiles, laughter and, of course, lots of soaking! The teachers thoroughly enjoyed joining in and making sure everyone got wet!

Class News

Rabbits have been enjoying the story *Someone Swallowed Stanley* and have been learning about the dangers that litter poses to sea creatures. They have had some thoughtful discussions about how we can all help to protect our oceans.

Hedgehogs have been developing their computing skills by learning how to program, and in music they have been creating their own imaginative soundscapes to accompany a story.

Squirrels have been busy with another week of fantastic learning, where they have created some amazing artwork on the theme of *Journey of a River*.

London Residential

Badgers have had an incredible adventure this week on their two-day residential trip to London. They packed so much into their visit, making memories that will last a lifetime! They had a wonderful time exploring the WonderLab at the Science Museum, taking part in a range of interactive experiments including trying out the friction slides, which were a huge hit! At the Natural History Museum they walked with dinosaurs and experienced an earthquake, before discovering more about World War II at the Imperial War Museum. The children thoroughly enjoyed watching *Wicked* in the West End, and their trip ended with a relaxing boat cruise along the River Thames followed by a spectacular ride on the London Eye. It was an action-packed two days, and we are incredibly proud of all the Badgers for the way they represented the school throughout the trip. They were a credit to themselves, their families and our school. Thank you to Mrs Hulse for all her hard work in organising the trip and also to Mrs Woods who accompanied us.

Summer Fair

A huge thank you to everyone who joined us for our Summer Fair last Saturday. It was fantastic to see so many families enjoying the stalls, games and activities together. We would also like to say a very special thank you to our amazing PTA for organising such a wonderful event. Your hard work, dedication and enthusiasm continue to raise valuable funds for our school, and we are incredibly grateful for everything you do.

Lincoln Library Summer Reading Challenge—'Read to the Beat'

Alongside this newsletter, we have attached information from Lincoln Library about their exciting Summer Reading Challenge, 'Read to the Beat'. The launch event takes place on **Saturday 4th July**, and families can sign up for the challenge from then onwards. There will also be a fantastic programme of activities running throughout the summer holidays. We hope as many families as possible will get involved—it's a brilliant way to celebrate the national **Year of Reading** while encouraging our children to keep reading over the summer and developing their love of books.

We hope you all have a wonderful weekend and look forward to seeing everyone next week.

Mrs Bradbury

Co-opted Governors

The Governing Body is currently seeking **co-opted governors** to join our team. Co-opted governors are members of the governing board who are appointed based on the skills, experience or perspectives they can bring to the school. Anyone over the age of 18 can apply, and you do not need to be a parent of a child at the school. We particularly welcome applications from members of the local community, professionals, or anyone with an interest in supporting education. The role involves attending governing body meetings, working with other governors and school leaders to support and challenge the school, helping to review policies and strategic priorities, and ensuring the school continues to provide the best possible education for its pupils. It is a rewarding opportunity to contribute to the life and success of the school community. If you know of anyone who might be interested in supporting the school in this way, please pass on this information and encourage them to contact the school via enquiries@fiskerton.lincs.sch.uk, and we will be happy to provide any more information about the role and pass their interest on to the governing body.

DIARY DATES

July

Monday 6th to Friday 10th—Sports Week
Wednesday 8th—Sports Day 9.30am
Friday 10th— Colour Dash Run (more details to follow)
Tuesday 14th –Badgers’ Production—Evening Performance

Term 2: Monday 2nd November—Friday 18th December
Term 3: Tuesday 5th January—Friday 12th February
Term 4: Monday 22nd February—Thursday 25th March
Term 5: Wednesday 14th April—Friday 28th May
Term 6: Monday 7th June—Wednesday 21st July

Attendance

This week our whole school attendance was only 95.49% . Let’s try to get back to at least 96% next week.

Good attendance is one of the most important factors in helping children achieve their full potential at school. Every lesson counts, and even a few days of absence can mean children miss important learning, making it more difficult for them to keep up with their peers. While we understand that family holidays can be an important opportunity to spend time together, taking holidays during term time can have a significant impact on a child's education, friendships and overall progress. We kindly ask all families to support us by arranging holidays during school holiday periods and ensuring children attend school every day unless they are genuinely unwell.

A huge congratulations to all the children in Year 2 who had attendance at 100% this week. Keep up the great work.

The Mrs Rycroft Award

Winners

Class	Award Winner
Rabbits	Luca
Hedgehogs	Arthur
Squirrels	Heidi
Badgers	Imogen
