Wellies

It would be really useful to have a pair of wellies that can be kept at school as we love to go outside in all weathers and our grassed area can get a bit muddy.

Library books – Please record when you read the library book with your child. You can also record other books you read at home too. Please aim to share a story with your child/children at least 3 times a week, though every day would be ideal.

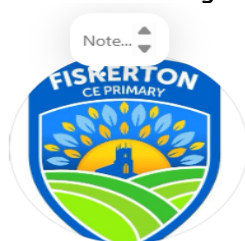

Tapestry

Snapshots of learning and activities will be shared on Tapestry, do have a look to see what your child gets up to. We love to see what they get up to outside of school so please add photos and videos. We share these with the class and it is a great opportunity for the children to celebrate their accomplishments. – any issues activating and accessing accounts, please let us know.

Names

Just a reminder to please name everything. Jumpers without names are very tricky to reunite with their rightful owners

Please follow us on Instagram for updates of some of the things we get up to.
