Dear Parent

We are very excited to announce that we have organised a two-night residential trip for the Badgers Class at the Dearne Valley PGL Centre, South Yorkshire, on **30th June – 2nd July 2027**. We are very fortunate to have secured a booking as it is an extremely popular venue with school groups.

For parents who are new to PGL, they are a leading residential activity centre provider, responsible for delivering safe and rewarding educational programmes to over 130,000 children every year. By combining many National Curriculum-linked modules with thrilling outdoor and indoor adventure activities, this trip is sure to provide your child with a wealth of new experiences outside of the classroom.

Residential courses organised by the school are, of course, an optional but invaluable part of the National Curriculum. Pupils benefit hugely from the experience, both educationally and socially and I feel certain that the Adventure Choice programme which we have chosen this year will prove to be both enjoyable and very worthwhile.

The cost of the visit will be approximately £251.50 (*to be confirmed once number of children taking part is confirmed by deposits paid). This includes full board, accommodation and a full programme of activities. To confirm our booking, an initial non-refundable deposit of £50 and consent will be required no later than **Friday 16th October**, to be paid via Arbor.

We are delighted to say that the cost of the transport has been fully subsidised by The Mukherjee Trust. The PTA have also very kindly contributed to the cost of the children places.

Please note: By giving your consent and paying the £50 non-refundable deposit, this is confirmation that you are committing to paying the full amount regardless of whether your child attends the residential or not.

If you wish for your child to attend, the payment plan will be as follows:

Friday 16th October - £50 deposit

29th January - £50.37*

26th February - £50.37*

25th March - £50.38*

30th April - £50.38*

Yours sincerely

Jessica Hulse
